

## **Modular Course in Musculoskeletal Medicine** **Further Information and Cost**

The BIMM Modular Course in Musculoskeletal Medicine is distance based learning of around 16 hours elearning and 8 hours reading for each module, and there is also a 3-day weekend practical training workshops accompanying each module (Saturday to Monday). Currently the practical sessions for Modules are in London, this is subject to change.

All course work must be completed before each practical and the course is open to any doctor with a qualification registrable in the UK.

The cost of each module is £750. We ask you to do the first 4 modules in sequence.

To reserve a place please complete the booking form and send it to BIMM PO Box 1116 Bushey Herts WD23 9BY, with your deposit of £50 made out to BIMM. If you need any further information please email [info@bimm.org.uk](mailto:info@bimm.org.uk)
