

The British Institute of Musculoskeletal Medicine

BACK IN A DAY LUMBAR SPINE STUDY DAY

Course Leader:
Dr. Simon Harley MRCGP DGM DM-SMed
Specialist in Musculoskeletal Medicine

This one-day course is especially suitable for GPs interested in learning more about the spine, covering the areas of anatomy, examination, red and yellow flags, clinical patterns, demonstrations of manipulation, pain management and injections. With a high tutor to delegate ratio (1:6) the course can also serve as an introduction to the comprehensive modular course run by BIMM.

This is not a validation course.

CPD 6 points
