

**WE ARE OFFERING GREAT OPPORTUNITIES FOR
GPs WITH AN INTEREST (GPwSI) IN
MUSCULOSKELETAL SERVICES**

Are you a GP who can make a difference?

Barnsley Primary Care Trust is seeking a GPwSI – Musculoskeletal, to join our multidisciplinary community based specialist musculoskeletal service. Presently the team includes a Consultant Physiotherapist, Extended Scope Physiotherapist, sessional GPSI and admin staff

Ideally we are looking for:

- 2 x 4 hour sessions per week (less frequent sessions will be considered)
- Salary range £60,597 - £96,842

The practitioner will be based within the Musculoskeletal Service. The post holder will be involved in assessment and screening of referrals via the Clinical Assessment Service (CAS). They will also assess, investigate and manage musculoskeletal patients with a range modalities and procedures, determine the most appropriate mode of treatment or referral when appropriate.

IS THIS THE JOB FOR YOU?
